

Lesmurdie Saints Junior Football Club

Community – Inclusion - Fun

2019 Club Sponsorship Program

BE PART OF SOMETHING BIG – BE PART OF OUR GROWTH

For the coming 2019 season, the Lesmurdie Saints Junior Football Club is pleased to open to the Community, opportunities to be part of the Clubs sponsorship Team that help us expand and grow as a volunteer non for profit Community Club.

The Lesmurdie club is growing and we are now providing the opportunity for new Sponsor to come and be on board, and at the same time have a fantastic opportunity to promote your business to the wider community.

Be quick to get on board with sponsoring this great club and the opportunity to get some fantastic exposure whether it be proudly emblazoned on the back of brand new year group jumper, or your logo on our main game day trailer and/or banners and signs that will be placed up on fencing at all home games.

As a Volunteer based club we are very thankful to all our sponsors and look forward to putting you out there not just to our clubs, but also to all the clubs that come to play at our home games at Lesmurdie oval.

It's a great time to consider the offered packages and sign up for a year of great exposure. We respectfully ask you to consider the above so we can continue to give our players the exposure to our underlying principles of building confidence, resilience and self-worth. **Most of all we ask you to help us as volunteers, to support them to have FUN.**
